Poštovani,

Koristimo priliku da Vas upoznamo da je naš dugogodišnji partner **"RICO TRAINING CENTRE BEOGRAD"** ekskluzivni distributer za kontrolne organe TACHOSPEED Control softvera za automatsko očitavanje vremena vožnje, perioda odmora, pauza i perioda aktivnosti sa analognih tahografskih karata, kartica vozača i digitalnog tahografa, i uređaja /čitača/ za prenos podataka sa digitalnih tahografa, za teritoriju Srbije. BiH i Crne Gore.

TACHOSPEED Control softver je dizajniran kao alat za rad nadležnih organa koji vrše kontrolu radnog vremena vozača u skladu sa Zakonom o radnom vremenu posade vozila u drumskom prevozu i tahografima Srbije, Uredbom 561, AETR sporazumom.

TACHOSPEED Control softver je jednostavan za korišćenje, jezički je prilagođen /na srpskom jeziku/ što je jedna od glavnih prednosti ovog softvera. Ima jasan grafički dizajn, sa kojim se veoma lako vrši pregled funkcija i obrada podataka.

Softver TACHOSPEED Control razvio je Infolab, koji je član Tahograf Foruma, ekspertske grupe Komisije, koju vodi MOVE – DG za mobilnost i transport, koja pomaže Komisiji EU u vezi sa sprovođenjem postojećeg zakonodavstva, programa i politika Unije, i CORTE - Konfederacije organizacija za sprovođenje zakona u drumskom saobraćaju sa sedištem u Briselu kao jedne od najvećih i najpućenijih platformi za drumski transport na međunarodnom nivou.

U Evropi sistem TACHOSPEED Control je pronašao primenu u više od 25 različitih zemalja i 20 kontrolnih organa, uključujući policiju, inspekciju drumskog saobraćaja. **Sistem uključuje brojne funkcionalnosti i izveštaje, pristup podacima je lak i brz, očitavanje digitalnih datoteka sa vozačkih kartica i tahografa**

cards and tachographs (including tachographs 4.0), including the control which detects infringements and calculates corresponding penalties according to domestic regulations, and potential manipulation module.

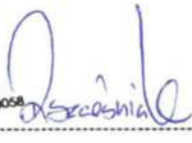

The implementation of this software in the work of control authorities can significantly contribute to the efficiency in the detection of misdemeanor actions and the compliance of drivers with the regulations on working hours and mandatory rest, and to the increase of safety in road transport.

For any further communication, our partner, the exclusive distributor for Control Authorities "RICO TRAINING CENTER BELGRADE", is at your disposal via email info@ricocentre.com or phone contact 381 11 3263 150, and 381 65 2641 669.

(uključujući tahografe 4.0), kontrola koja otkriva prekršaje i obračunava odgovarajuće kazne prema nacionalnim propisima, i modul za potencijalnu manipulaciju.

Implementacija ovog softvera u radu kontrolnih organa može značajno doprineti efikasnosti u otkrivanju prekršajnih radnji i usklađenosti vozača sa propisima o radnom vremenu i obaveznom odmorima, i povećanju bezbednosti u drumskom prevozu.
